b) Is your Item/Commodity fully manufactured in the U.S.? YES NO
IF YES, complete U.S. Manufacturer's Name and Address in SECTION 5b below or

c) Are there components originating from the U.S. integrated in your item/commodity? YES NO
IF YES, COMPLETE SECTION 7 BELOW

I hereby certify that the information provided herein is true, complete, and accurate.

Where the export, re-export or transfer of the item/commodity, by FOKKER ELMO or any of its customers, is subject to an export license, the issuance of such license shall be a condition precedent to this purchase order coming into force. I shall provide FOKKER ELMO with a copy of any such license upon receipt. In the event that such license would be revoked, not renewed, invalidated, or otherwise not be effective for any reason, FOKKER ELMO shall have the right to cancel this order immediately, by means of a registered letter.

I shall inform FOKKER ELMO, in writing, as soon as I will become aware of any change that may affect export control classification of the item/commodity described hereinbefore.

I am aware that prior to a purchase order coming into force, this "Export Control Classification Declaration" is to be filled out and returned to FOKKER ELMO.

_____	_____	_____	_____
Date (DD/MM/YY)	Location	Name and Title (supplier)	Name and Signature of empowered Official

NOTES

(Section 2) Brief description of the product (e.g. backshell, wire, contact, connector, etc.), Product type/part number as per Purchase Order, Specification, or catalogue reference. If you have several independent products, write "Refer-to-Table"

(Section 7) If the Item/Commodity subject to this declaration is non-US, please list all US content including FOKKER ELMO content embedded under De-Minimis. If you are a US supplier, providing this certificate for several line items, please fill in one line per line item of US content. Please use an Annex if you have more line items.
